## KAZOO!

### What you need:

- 3 elastic bands
- 2 lollipop sticks
- Straw cut into two smaller pieces (2cm bits)
- 2 mini elastics/loom bands

### Instructions:

- 1.** Put elastic band over 1 lollipop stick lengthways.
- 2.** Put 1 piece of straw under the elastic band.
- 3.** Put the other piece of straw at the other end – this time on top of the elastic band.
- 4.** Place the 2nd lollipop stick on top – like a sandwich!
- 5.** Use the 2 mini elastic bands or loom bands to secure the two ends – 1 piece of straw will be on top of the elastic band and 1 piece will be under the elastic band.
- 6.** When you blow over the elastic band, it vibrates creating sound!
- 7.** You can change the frequency by moving the straw piece that is on top of the elastic band up and down the sticks.

## BANJO!

### What you need:

- Jar lid
- 2 lollipop sticks
- 2 large elastic bands
- 4 mini elastic bands
- Sellotape
- Paint to decorate

### Instructions:

- 1.** Carefully wrap the elastic bands around the jar lid.
- 2.** Secure the bands in place using tape on the back of the jar lid.
- 3.** Tape the 2 lollipop sticks together.
- 4.** Tape the sticks to the back of the jar lid.
- 5.** Paint the lollipop sticks or the jar lid – get creative!

# MUSIC MAKERS

## CASTANETS!

### What you need:

- Small rectangle piece of cardboard
- Glue
- 2 bottle caps
- Paint

### Instructions:

- 1.** Fold the piece of cardboard in half.
- 2.** Using glue, attach 1 bottle cap to the cardboard – a few millimetres in from the edge.
- 3.** Attach the second bottle cap to the opposite side of the cardboard.
- 4.** Paint or decorate the cardboard however you like!
- 5.** Clap the cardboard together – the two bottle caps make a noise!

# MUSIC MAKERS

## DRUM!

### What you need:

- Balloon
- Scissors
- Coffee Cup/Jar
- Paint

### Instructions:

- 1 Carefully cut the top off the balloon.
- 2 Stretch the balloon around the top of the cup or jar.
- 3 You can paint the cup/jar or use stickers or coloured paper. Be as creative as you like!
- 4 You now have your very own drum! Use pencils, paintbrush or anything as drumsticks to make some noise!

## RAIN MAKER

### What you need:

3 toilet roll tubes/1 kitchen roll tube,  
2 cardboard circles, tin foil, scissors,  
sellotape & beans/rice/lentils

### Instructions:

- 1.** Attach the toilet roll tubes together – one on top of the other.
- 2.** Attach 1 cardboard circle to seal up one end of the tube.
- 3.** Roll some tinfoil into a long tube or wand shape.
- 4.** Squish the tinfoil and shape it into a spiral.
- 5.** Carefully place the tin foil into the toilet roll tube.
- 6.** Pour in a handful or half a cup of beans/rice/lentils.
- 7.** Attach the other cardboard circle to the end to seal the rain maker.
- 8.** Get creative with the outside of the tube – you can use paint/markers/coloured card/stickers etc.
